## Balcony Renovations

Under the leadership of our directors Vasyl Lysetsky and Petro Chakhovsky, our parish is currently renovating the church balcony, including plastering and repainted the walls and ceiling. Because of the height of the ceiling, scaffolding had to be installed on the balcony so that our workers can easily reach high areas. After the current work on the left balcony is completed, the scaffolding will be moved to the right balcony for completion of the project.

We invite everyone to donate to our Renovation Fund to help pay for this necessary project. Please stop by the Office to make your contribution, or visit our website at <https://givebutter.com/alrcmN>.
