Balcony Renovation

Under the leadership of our parish directors, Vasyl Lysetsky and Peter Chakhovskyy, our parish completed repairs on the left and now the right balconies of our church. In January, we finished patching, plastering, and repainting the walls and ceiling of the right balcony. After the work was completed, the scaffolding was dismantled and moved to the rear balcony. Large plastic sheets were stretched to isolate the choir section and minimize dust settling on the pews during the work.

We sincerely thank Vasyl, Petro, and all the volunteers who donated their time to help restore our church!

We encourage everyone to make a donation to our parish's renovation fund to cover the cost of this work. Please visit the parish office to make a donation, or use the QR code above.

Helping Children of Bukovina

We would like to share photographs of children from Bukovina whom our parish has been supporting since 2015.

These are children whose parents voluntarily went to defend Ukraine in the summer of 2014. Because they did not have formal contracts with the Armed Forces, the families were sadly unable to receive state financial assistance after the defenders gave their lives. For this reason, we continue to support these children as they work toward standing on their own. We warmly welcome your donations to help assist these children.

"We thank the Church of Saint Volodymyr in New York for your boundless support. Your help is a light in dark times that helps many to endure and hold on. We wish you always to find the strength to continue, even when it seems that everything has already been done. You are a true support for all of us!

With respect, the Matsievska family"
