Completion of the Balcony Renovation

The renovation of our balcony is complete, and it was time to take down the scaffolding. In the evening of Tuesday, March 24, 2026, a large team of volunteers came to our church to move the scaffolding from the balcony to temporary storage areas. The volunteers also wiped down all the pews on the balcony and in the church, vacuumed, and mopped the floors, so that our church would be ready for worship services.

We sincerely thank our directors, Vasyl Lysetskyi and Petro Chakhovsky, for organizing the renovation, and our volunteers for their help in restoring the church.
